

Program Activity

Gallery: Weinman Mineral Gallery

Course Name: Rock and Roll – Egg Carton Rock Collection Box

Grade Level: 3RD

Activity: Pre

Approximate Time Required:

Vocabulary:

Objective: Create a container to hold rock collection

Materials Needed:

Egg Carton, cleaned

Paint

Stickers

Beads, Spangles, and any other decorations for cartons

Procedure:

1. Decorate egg cartons to create a unique container in which to store rocks collected during this unit. Be sure to have students bring in non-plastic egg cartons because they will be easier to decorate. Encourage them to place their names prominently on the containers as they decorate them.

Observations: Share what the students learned

Evaluation: Rubric, check list, quiz, etc.

Modifications: (optional: Gifted, Special Education, ELL)

Georgia Standards:
