

When I Go To

I will be going to

Follow the sidewalk.

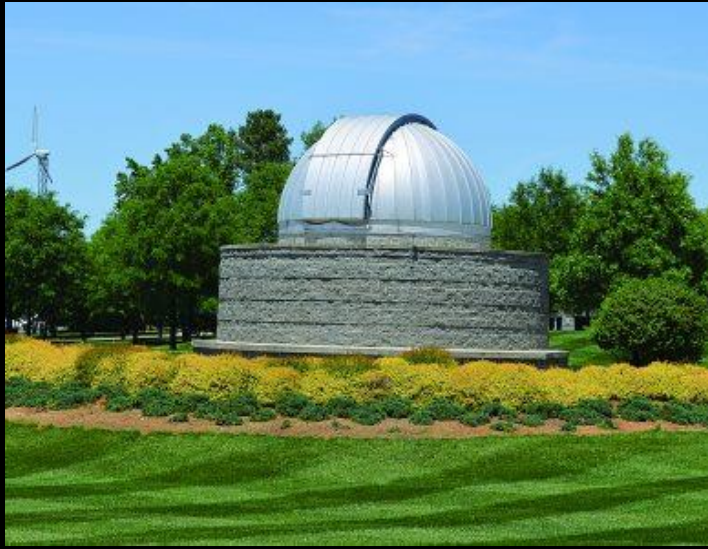

It is a LONG
sidewalk.

There are
rocks.

There is a solar circle

We can see
observatory and
the solar house
another day.

I have to wait in lines. I stay with my adult.

There is a locker room.

Lockers can hold bags.

There is the Great Hall.
There is a HUGE dinosaur!

Her nickname
is Patty.

The museum can be
loud.

Use a quiet voice.

There are many people.

You must walk.

Walking is safe.

Keep hands and feet down.

This sign means I can touch this item.

This sign means I can touch.

Tellus uses railings and signs.

The railing means stop.

Stop here.

Stop here.

Tellus has many
areas.

Each area tells a
story.

Weinman Mineral Gallery

Fossil Gallery

Millar Science in Motion Gallery

Collins Family My Big Backyard Gallery

Gem Panning and Fossil Dig are fun areas.

Gem Panning is fun.

It is loud.

A pump runs the water.

Dryers dry your hands.

Keep all your gems.

Fossil Dig is fun, too.

There is pretend sand.

You will find many fossils.

Pick one fossil to keep.

There is a planetarium.
A movie plays up high. The lights are off. There are
loud noises.

The Café has food!

The store has
things to
touch and
buy.

Time to go. Get our back. Walk down
to our car.
