

When I Go To

I will be going to

There will be a long sidewalk.

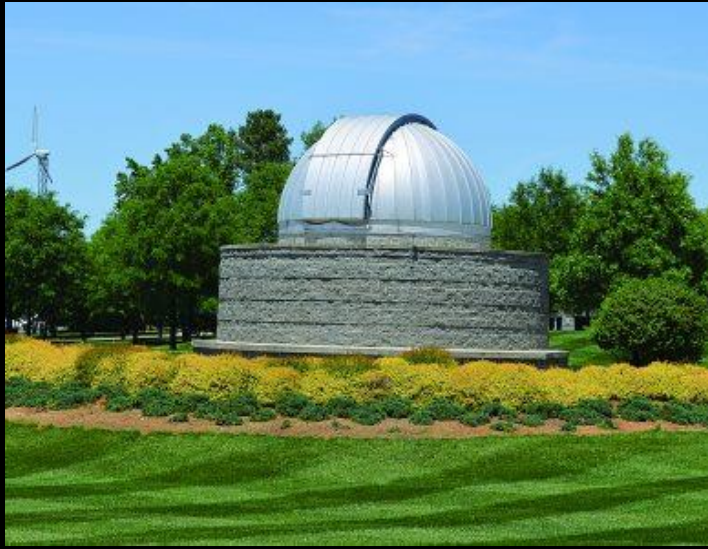

I will see
rocks. I can
climb on
the rocks.

I can walk the solar
circle.

We can see the observatory and the solar house another visit.

There may be a line. I have to wait.

I stay with my adult.

We must get our tickets at the desk.

There is a locker room. A locker is a metal box.

We might put our bag in the locker.

We will walk into the Great Hall. There is
a HUGE Apatosaurus!

Her nickname
is Patty.

The museum can be loud.

It is important to use a quiet, inside voice.

The museum can have
lots of people.

We have to walk.

Walking keeps us safe.

I cannot touch or climb most of the things.

This sign means I CAN touch this item.

This sign means I
can touch.

Tellus uses railings and signs.

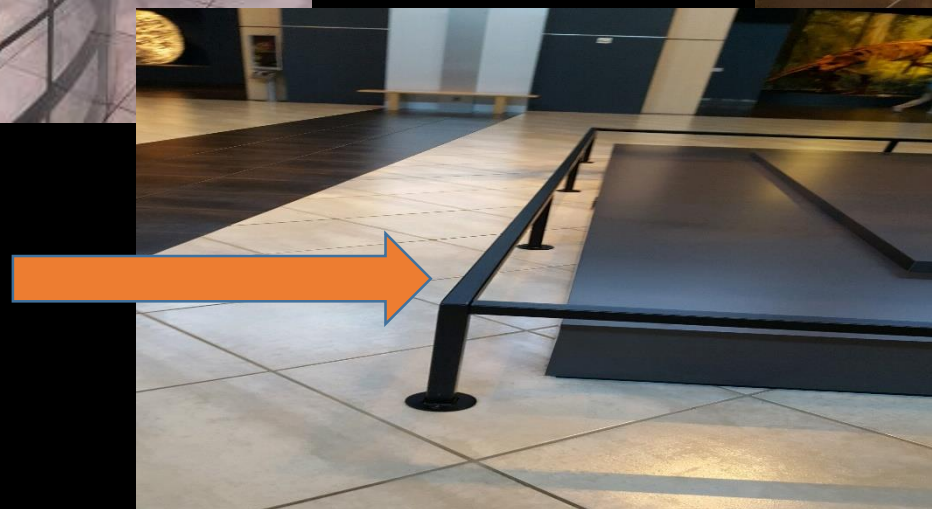

The railing means stop.

Stop here.

Stop here.

Tellus has many exhibits.

Each tells a different story.

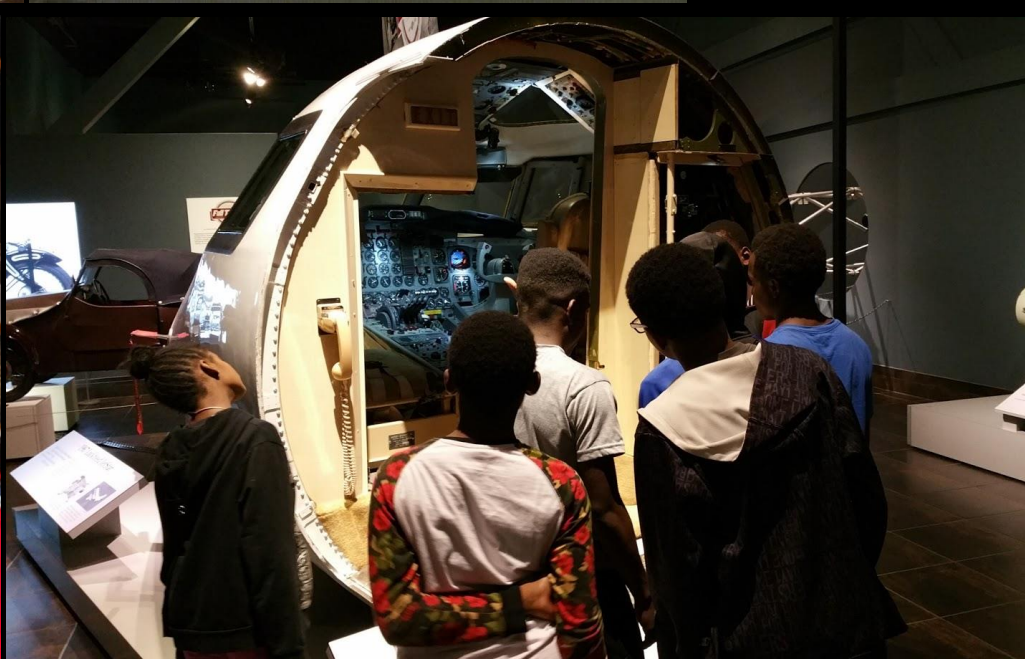

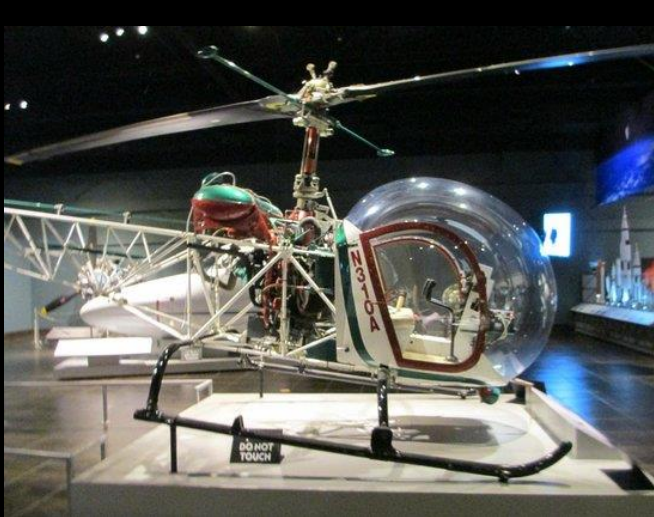

Weinman Mineral Gallery

Fossil Gallery

Millar Science in Motion Gallery

Collins Family My Big Backyard Gallery

Gem Panning and Fossil Dig are popular areas in the museum.

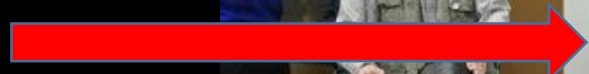

Gem Panning is fun.

It is noisy and wet.

A pump runs the water in
the sluice.

The dryers dry your hands.

You can keep all the gems
you find.

Fossil Dig is fun, too.

There is pretend sand.

You will find a lot of fossils.

You only keep one
Fossil

Pictures help find the
name of each fossil.

The planetarium is like a theater.
The movie plays above you. People sit next to you.
It is dark, until the film comes on.
There are lots of loud sounds!

There is the Café for lunch!

There is also a store.

There are many things that can be touched and bought.

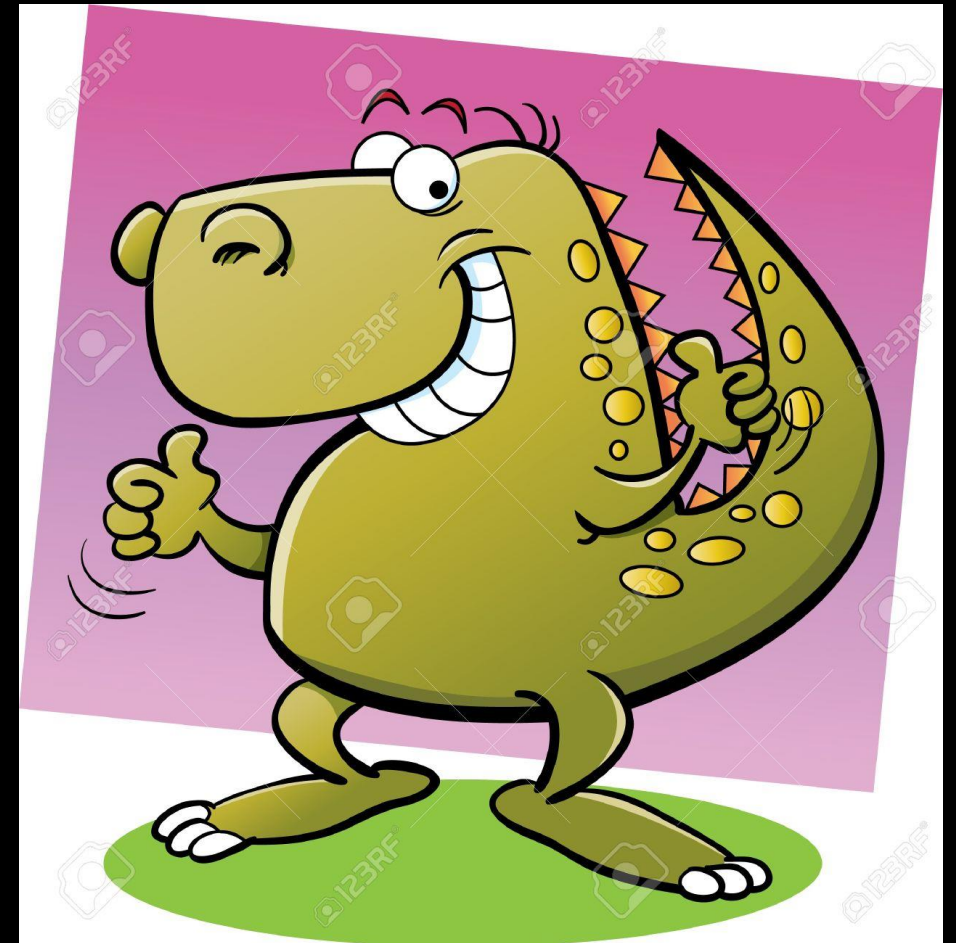

When we leave we get our bag from the locker. We walk down the long sidewalk to our car.

Here are 6 Rules that I will follow to have a T rex - ellent day at Tellus!

- 1) I stay with my adult.
- 2) I listen to what my adult.
- 3) I follow directions.
- 4) I use walking feet at all times (even when what).
- 5) I use an inside voice at all times (no matter what).
- 6) I have FUN while learned!

I will have a good day
at
