

EVERY STONE HAS A STORY TO TELL!

You can find rocks almost anywhere.

- 1 COLLECT
- 2 OBSERVE
- 3 SORT
- 4 IDENTIFY
- 5 DISPLAY

Use your gems from the Tellus Science Museum Gem Panning Experience—or your own personal collection—and match them to the chart.

A good rock collection can be displayed on the chart, a piece of fabric, in a box, on a shelf, or even in a drawer!

HAPPY COLLECTING!

* ALWAYS ask permission and NEVER go collecting by yourself!
